

LCR Summer Camp

Welcome to our FUN-filled LCR Summer. Welcome to "LCR Camp". We will start off our summer by making new friends and introducing you to our "summer camp rules" to have fun and to our weekly activities. Campers will receive a camp shirt for free and it will go home at the end of summer camp.

Each day, all summer, we will have special reading times, games, art projects, and center activities. Several times a week there will be field trip days. Past fields trips have been to the Cleveland Zoo, Swings and Things, History Museum, Science Center, local Metroparks and swimming rec centers.

At our camp children get plenty of interaction with our low campers to teacher ratios. Parents can feel safe that their children are in our care and the children get excited about playing and learning. What children learn at LCR will help to prepare them for school and for life...Every day is an Adventure!

Why Choose Le Chaperon Rouge?

Hours of operation are from 6:30 am to 6:30 pm Monday through Friday
