The dates of summer camp will coincide with the school districts summer break. Summer Camp will start on a Monday and end on a Friday. Some camps will be 10 weeks some may be 11 weeks in duration. If there are any interim days at the beginning or the end most of our schools offer drop in days. Please ask the director.

We will have themed activities for the students during the week. We will have fun and exciting field trips several times a week. We have our own busses in which we transport the children to and from the school.

We offer breakfast, lunch and snack for all students. On occasion due to the nature of a field trip we may ask for packed, brown bag lunch.
