

*Dear Parents,*

*We have such an outstanding summer planned for your children!!! If you are a returning "camper" you know that we try to pack as many stimulating activities into the summer as possible. Please read through the following information. After you have registered and secured your child / children's spot for this summer, there will be an additional packet available for pick up after May 1, 2018. The packet will have the information and calendars that you will need, as well as permission slips and other pertinent information.*

*On the first day of camp, your child should have with him/her a bottle of sunscreen, a full change of clothing, a water bottle, bathing suit, towel and water shoes. All belongings should be labeled with his/her name, as sometimes children forget which items belong to them.*

*Also, at all times, your child should be wearing tennis shoes or other proper play shoes. Flip flops, crocs, jellies and other forms of open-toed shoes are not acceptable. Most importantly, come ready for fun and excitement.*

*Please contact your school's director (or your child's current teacher if you are already enrolled) with any further questions. We are more than willing to help you in any way possible and look forward to a long lasting relationship between your family and our schools.*

*Sincerely,*

*Mrs. Stella Moga-Kennedy*
